DETAILED ACTION

1. Applicants' Amendment of November 8, 2002 has resulted in the allowance of claims 26-35.
2. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.
3. Claims 1-25 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Claim 1 is indefinite because in lines 11 and 12, there is no direct antecedent basis for the recitation of "said waste gas outlet port", as line 8 recited "a waste gas exit port", thus, "outlet" should be changed to "exit" to overcome this rejection. The same also applies to claims 13 and 14. Claim 7 is indefinite because of the use of "the said" in line 2. See the last Office action. Claims 2-6, 8-12, and 15-25 are indefinite because they depend from the above indefinite claims.
4. Claims 1-25 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, second paragraph, set forth in this Office action.
5. As all of the claims have either been allowed or indicated to be allowable upon appropriate amendment, no remarks by the Examiner are necessary to Applicants' Amendment of November 8, 2002.
6. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within

TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
